

### **Big Brothers Big Sisters of Central Piedmont**

BBBS creates fundamental, positive change in the lives of children in the schools and communities we serve. We match "at risk" youth with Big Brothers, Big Sisters, Family or Couple Matches. In doing so, we provide our communities' most vulnerable youth with dependable role models, whose one-to-one mentoring prepares them for and starts them on, the path to success in adulthood.

### **Big Brother Big Sisters Works**

According to 273 final report cards:

- 83% of our youth made a C or better grades
- 63% made the school A/B Honor Roll
- 70% of our youth improved in two or more subjects
